Primary Schools PSE Options Matrix

Please Note:

Each session allows a maximum capacity of 30 pupils and timings vary between year groups (can be adapted to fit school timings):

Year 2: Story Time: Ellie's Medicine (20 minutes)

Year 3: Hazardous and Harmful Substances (40 minutes)

Year 4: Up In Smoke (40 minutes)

Year 5: Alcohol and Safety (40 minutes)

Year 6: Substances and Safety (40 minutes)

Before booking us, please be aware that:

- There must be at least one member of staff in attendance throughout the duration of each session.
- We require a computer linked to a projector or smart board so we can slot in our memory stick on arrival.

Additional Information:

- We are not responsible for the behaviour or discipline of pupils.
- Our role is to provide factual and accurate information around substances and their use in an interactive format.
- We take all feedback on board in order to continually improve and keep session content relevant for the audiences involved.
- Our team will be available to answer any sensitive questions or deal with relevant queries after the session or at an arranged later date.
- We appreciate your cooperation and look forward to working with your pupils.
